**Staff Grade Psychologist: The successful candidate must have:**

Applicants must have a recognised university degree or diploma (Quality and Qualifications Ireland (QQI) level 8 equivalent) obtained with 1st or 2nd class honours in which Psychology was taken as a major subject and honours obtained in that subject AND a recognised professional post-graduate qualification in clinical, counselling or educational psychology, or an equivalent qualification validated by the Department of Health.

**AND**

Applicants with a clinical or counselling psychology qualification must demonstrate that they have acquired in appropriate health settings, for - Disability (Child and Adult), either at least 60 days or equivalent supervised clinical placements as part of the professional qualification or at least 60 days or equivalent post qualification supervised work experience as a psychologist.

**OR**

Applicants with an educational psychology qualification must demonstrate that they have acquired appropriate health settings for Child Disability, either at least 60 days or equivalent supervised clinical placements as part of the professional qualification or at least 60 days or equivalent post qualification supervised work experience as a psychologist.

**Note:** Combinations of supervised clinical placement experience as part of the qualification and post qualification supervised work experience within a single care group area to give a total of 60 days are not acceptable.

The 60 days of supervised placements do not have to be acquired consecutively. However no more than three separate supervised placements, each with a minimum of 20 consecutive days, should be counted to make up the sixty days. For example, a candidate could have completed three separate supervised placements of 20 days duration in different semesters, months, years etc., this would also satisfy the 60 day requirement.
